### OUR MISSION

To work in partnership with the community to provide opportunities that will enhance the emotional, physical, social and intellectual well being of children.

Helping children soar to new heights is one of our #1 goals at the Child and Family Services of Central Manitoba Foundation. Our Foundation prides itself in the many programs we fund that are geared towards helping give children a chance — programs like Chance 2 Camp, Arron's Chance 2 Play Hockey, and Chance 2 Grow.

Participation, meeting new challenges, and building positive self-esteem are essential to the development of healthy children.

Recreation and opportunity promote a sense of belonging and well being. Our Foundation believes that every child, regardless of their family circumstance, deserves a chances to soar to new heights.

## WHAT IS THE CHANCE 2 CAMP FUND?

Sometimes the smallest opportunity can make a big difference in a child's life. The Chance 2 Camp Fund is a fund within the Child and Family Services of Central Manitoba Foundation - an organization committed to improving the lives of children in the Central Region. Since 1972, Chance 2 Camp has funded area children to attend a summer camp experience. Thousands of children have been given the opportunity to challenge themselves and their abilities through participation in programs and activities that build self confidence and self worth.

## HOW DOES CHANCE 2 CAMP WORK?

Chance 2 Camp sponsors area children to attend a summer camp experience up to \$400.00 per child per fiscal year. Camp fees in excess of this amount are the responsibility of the campers' parent or guardian. There is a small family contribution to help offset expenses.

## SUMMER CAMPS

Chance 2 Camp does not operate its own camp. Camps are chosen by children and families from the many camps located throughout Manitoba. The Fund does specify that the camp must be accredited by the Manitoba Camping Association (MCA). Go to our website: [www.cfscmfoundation.com](http://www.cfscmfoundation.com) for a list of available camps. The Fund also supports attendance at reputable day camps in various communities across the region.

## WHO IS ELIGIBLE?

Families who would not be able to send their children to camp because of financial circumstances are eligible to apply. Children must be between the ages of **6 and 17** and live within the Central Region of Manitoba. The program is run by Child and Family Services of Central Manitoba, but the child's family does not need to be involved with the Agency in any way to qualify. The Central Region of Manitoba includes:
