OUR MISSION

To work in partnership with the community to provide opportunities that will enhance the emotional, physical, social and intellectual well being of children.

Helping children soar to new heights is one of our #1 goals at the Child and Family Services of Central Manitoba Foundation. Our Foundation prides itself in the many programs we fund that are geared towards helping give children a chance— programs like Chance 2 Camp, Arron's Chance 2 Play Hockey, and Chance 2 Grow. Participation, meeting new challenges and building positive self-esteem are essential to the development of healthy children. Recreation and opportunity promote a sense of belonging and well being. Our Foundation believes that every child, regardless of their family circumstance

deserves a chances to soar to new heights.
