CHILD AND FAMILY SERVICES OF CENTRAL MANITOBA FOUNDATION INC.

OUR VISION:

... because kids matter!

OUR MISSION:

To work in partnership with the community to provide opportunities that will enhance the emotional, physical, social, and intellectual well being of children.

Helping children soar to new heights is one of our #1 goals at the Child and Family Services of Central Manitoba Foundation. Our Foundation prides itself in the many projects we fund that are geared towards helping give children a chance-projects like Chance 2 Camp, Chance 2 Grow and Arron's Chance 2 Play Hockey. Participation, meeting new challenges, and building positive self esteem are essential to the development of healthy children. Recreation and opportunity promote a sense of belonging and well being. Our Foundation believes that every child, regardless of their family circumstance deserves a chance to soar to new heights.

WHAT IS THE ARRON'S CHANCE 2 PLAY HOCKEY FUND?

Sometimes we all need a little help. When NHL'er Arron Asham was growing up, members of the community were there for him and supported his efforts on and off the ice. This fund is in honour of those supporters and Arron's success. The goal of the program is to provide hockey opportunities for area children despite difficult economic circumstances. The fund was established in 2004 and is administered by the Child and Family Services of Central Manitoba Foundation Inc.

WHAT DOES IT FUND?

The Arron's Chance 2 Play Hockey Fund sponsors full hockey registration fees and team fees. Funding for equipment may also be available up to a maximum of $1,000 per child and is subject to board approval. The fund also sponsors registration in sanctioned CanSkate programs. The National Hockey League Players Association's "Goals and Dreams" has donated hockey equipment to Arron's Chance 2 Play. This new equipment, subject to availability, is given to deserving children through our program.
